

## YOUR TEAM MATTERS

There are many benefits to building a positive team, the main one being that people are more creative and productive when they're part of a happy and healthy organization.

At **Unity Escape Rooms**, we specialize in team-building experiences that go beyond fun. Our rooms are designed to foster collaboration, trust, and creative thinking, making them the perfect choice for corporate groups and leadership teams.

We are family owned and hope you will consider us for your next team-building event!

Unlock your team's potential with immersive challenges designed to boost teamwork, leadership, and problem-solving skills.

**UNITY**  
ESCAPE ROOMS

## LEADERSHIP

Every team needs strong leadership. Our challenging escape rooms will reveal those with hidden leadership skills to delegate tasks, manage time, and push the team toward a common goal.

## PROBLEM SOLVING

Each room is filled with unique clues to find, puzzles to solve, and challenges to overcome. Being able to solve complex problems, just as on the job, will be critical to the team's success.

*"Escape rooms create a space where teams learn to trust each other in a dynamic and engaging way. When they see their teammates step up and excel in problem-solving, it builds trust and fosters a sense of unity."*

## CREATIVE THINKING

Unique ideas, differing perspectives, and creative thinking will prove to be invaluable, both in escaping our rooms and in the fast paced work environment.

## COMMUNICATION

On the job or in daily life, few skills are as important as effective communication. Players must speak out, sharing their ideas and observations to solve the puzzle and escape the room.

## CAMARADERIE

Ditch the *trust falls* and engage with your team in a new, fun, and immersive environment. Set aside the *corporate hierarchy* and build new friendships and bonds.

## AFFORDABLE

We know you're on a budget. Let us help you plan one of the most cost effective investments you will ever make in your team. Your team culture, and your bottom line, will thank you later.
